Markham Speed Skating Club is a community volunteer run organization. Volunteers are essential for the club to continue to operate. Speed Skating requires safety mats prior to the start of the sessions and at the conclusion these mats need to be loaded and unloaded onto the ice. Sessions may be delayed if there is insufficient parent/volunteers

Parents Code of Conduct:

If children are to grow and develop in their sport or physical activity, an environment of positive communication and respect must exist. Parents of child athletes should observe the following code of conduct developed by the Canadian Centre for Ethics in Sport

1. I will remember that my child plays the sport for his/her enjoyment, not for mine.
2. I will encourage my child to play by the rules and resolve conflicts without resorting to hostility or violence
3. I will teach my child that doing ones best is as important as winning, so that my child will never feel defeated by the outcome of the event
4. I will make my child feel like a winner every time by offering praise for competing fairly and trying hard
5. I will never ridicule or yell at my child for making a mistake or losing a competition
